# Northbridge University — Student Handbook (Procedures)

## Course Withdrawal Procedure

Students may withdraw from a course until the end of week 8 of the semester. To withdraw:

• Step 1: Discuss the withdrawal with your academic advisor.

• Step 2: Submit the Course Withdrawal Form in the Student Portal.

• Step 3: Obtain the course instructor's signature (electronic signatures are accepted).

• Step 4: The Registrar confirms the withdrawal by email within 5 working days.

A withdrawn course appears as "W" on the transcript and does not affect the GPA. Withdrawals after week 8 require approval from the Dean.

## Academic Appeals Procedure

A student who disagrees with a final grade may file an academic appeal within 10 working days of the grade being published.

• First, request an informal review with the instructor.

• If unresolved, submit a written appeal to the Head of Department with supporting evidence.

• The Appeals Committee reviews the case and issues a final decision within 20 working days.
